## On Track Team News

On Wednesday Somerset Crescent School had their U Rock day. The children were extremely excited to go to the Lido, Esplanade and the Hockey Turf. First we went to the Hockey Turf, Somerset had so much fun playing Hockey. After their 3 games Ms Etuale picked some children to play against the teachers. The kids were cheering ' Lets Go Teachers Lets Go!' At the end of the game the teachers won, hooray! The students walked off in a grumpy mood. After hockey we went to the esplanade to have Lunch and play. Some of the kids could do heaps of flips on the trampolines. Finally we went the to Lido to have a cool off in the pool. Some kids were cold and some were warm in the pool. Suddenly we hear a siren, we had to evacuate the building. The teachers called the roll after we waited for a good 2 minutes. After that we had to get dressed because the bus was coming. All the kids had fun!

Kia Ora

This week we had our fantastic UROCK day. It was a huge success with the children playing hockey at the hockey turf, a picnic at the Esplanade and a swim at the Lido. Everyone had a great time. A big thank you to the parents and caregivers who were able to support us.

The senior camp has been and gone. The children had a great time and got to try some new experiences they hadn't done before. Another huge thank you goes to our parents who came along and helped out. We think you ROCK.

We have just had our thank you morning tea for the helpers who come along and help our school out. The list is long of people who support our school. We would struggle to do the things we do without you helping us. You take sports teams, breakfast club, camp helpers, help in class, road patrol and so many more things. This is what makes our school community such an awesome place. Thank you, -U- ROCK.

Have a safe weekend
