This week we held our Achievement assembly. We are very proud of the large number of children who received awards. We think you all ROCK!

Next week is our last week for the year; we finish on Wednesday at 12.30.

I would like to take the opportunity to thank the staff for their dedication and hard work over the year. They are an amazing bunch of people who have worked so hard to support and raise the achievement of the children.

A particular mention goes to Whaea Charlie. Whaea Charlie has stepped into the role of Team leader this term. She has done an amazing job for the senior team and we are very grateful for her hard work and commitment. Whaea Charlie will be back in 2016 as our part time teacher.

Our achievement information overall for the school has never looked so good and the school roll is continuing to grow. Your commitment and work that you do at home with your children all goes towards helping with this. Thank you to you all for supporting our school.

We wish you all a happy Christmas and a safe holiday.
