Star Staff Award

Ms Etuale received the Star Staff Award this week for the wonderful job she does with the Pasifika Pride group.

Kia Orana

Next week we are looking forward to seeing you at the Three way conferences. Don't forget you are welcome to wait in the staffroom beforehand, we will have a hot drink and muffins available, we don't want you having to wait out in the cold. Your child will be well prepared to talk with you about their learning. They will be bringing home their reports today so that you have time to read them before coming along on Tuesday or Wednesday. If you haven't got an interview time, please contact the office - it's not too late!

Attached to the newsletter is some information about the health programmes that we teach. We are required to consult and inform you about them every two years. If you have any queries or comments, please fill in the box provided and return the form to your child's teacher. We look forward to your feedback.

Yesterday our wonderful Pasifika Pride performed at Olive Tree retirement village. They were great and the residents really enjoyed their show.

We have a number of volunteers from Olive Tree village coming each week to help out in our school. They are making a valuable contribution to supporting our school and children, we are enjoying the relationship we are forming with Olive Tree.

Coming up is a family Math's night on the 30th August, more information will follow, this will be a fun time where you can come along with your family and find out about some math's games you can play at home.
