Concert

Last Thursday Somerset Crescent School had a concert. It was really cool, everything was glowing and there was a lot of lights. The teachers put a lot of effort in by getting us all ready and also the kids put in a lot of effort too.

It was amazing and the hall looked outstanding.

Kia Ora,
Welcome back to this term. Already 3 weeks has been and gone, and there is only 6 $\frac{1}{2}$ weeks of the 2017 year left. Oh my gosh, time has certainly flown, and lots and lots of improvements to our school have occurred. Somerset Crescent School is certainly 'Raising the Bar' for our children, our staff and our community.

Our highlight last week was to perform and showcase our Whole School 'Performing Arts Concert' to you all. Thank you for coming to support us. I am grateful to have such hard working staff who helped shape each of their Performing Arts groups to the beautiful level you saw. We have such a large number of talented students who absolutely 'ROCKED' at our Concert. The atmosphere at school the day after the concerts was amazing. Our children, staff and families were filled with such joy and admiration. This happiness and sense of pride could be felt and seen all day. Our hall looked amazing, and the new equipment supported us in delivering a quality showcase. We have reviewed the concert and come up with more ideas to improve for next time. The raffle that was on offer at the concerts is still open. Tickets can be bought from the office. Once they have all been sold, a draw will be made. We drew the Boys & Girls Raffle last Friday. The winners were (Boys Raffle = Blake Johnson, and the Girls Raffle = Angela Simmonds). Congratulations to these people and thank you all so much for contributing to our children's UROCK day.

I want to congratulate our Kahikatea Team who went to Forest Lakes Camp on the last 3 days of last term. The camp was a huge success. So many memories and fun times will be spoken of and relived for many, many years to come. Thank you to all our volunteers who supported our staff and students. Without your time and effort, we could not provide such a happy, safe camp like we did.

Last term we were gifted some recycled sports balls. These x12 ball sets were given to students in the Rata Team who have been committing to playing sports so far this year. Congratulations. This term we have x6 sports sets that have been given out to students in the Kahikatea Team. The next set of sports ball kits will be given to students in the Kowhai Team. Thanks you to Denise and the family for these. Last week our second nominee for the Hall's Transport UROCK Values Trophy of the month was Iemon Poudel from Room 1. Iemon was picked up by one of the Hall's Transport trucks from home and driven to school. Iemon got a backpack full of goodies from Hall's Transport Company. Whaea Lyn and the Room 1 children went out to meet him in our carpark when he arrived. The truck driver showed them the truck and how to be safe around trucks. Thank you Hall's Refrigerated Transport for this wonderful opportunity that our children and families are receiving. We are very grateful.

The newest project Mr. Telfer has completed is the painting of our tractor. It looks brand new and is such a wonderful piece of equipment that Mr. Telfer has bought back to life. Many, many more children and their families will now get to enjoy playing on and around the tractor for a few more years yet. Watch out for the grass that will begin growing underneath the tractor soon!

A friendly but extremely important reminder that 'HATS' are required this term. We want our children to be able to play and learn in the sun and to do this safely a hat should be worn. Bucket hats are what we advocate for not caps please. Keep an eye out for our new 'green' bucket hats that we will be introducing to our school uniform.
