On Track Team News

This morning the Pasifika Pride group performed in front of the RTL B Teachers, even Miss Clarke. They were awesome.

Duffy Books in Homes

The whole school were very excited to receive their books from Duffy Books in Homes on Friday. Mrs Guy came and talked to us about the book she has written called 'Snooty Stanley plays a prank'.

Here is Room 2 & 3 looking at their new books.

Kia Ora

This week has been a very busy week for a number of our wonderful children. The two basketball teams competed in the finals last night and the seniors came second and the second team came 1st in their grade.

The two Jump Jam squads competed in the interschool competition and both teams came third in their grades.

Pasifika pride performed for 40 RTLB teachers who have been working on site and learning about Pasifika education.

We have great kids who do great things, the way that they played and performed in a UROCK way is evidence of this. I am very proud of them.

This is the last newsletter before the holiday break - be safe and have a good break.

Sports News

Flipperball:

Player of the Day was - Tahana.

The Flipperball finals will be held next week.

Basketball:

The Year 3-4's won the final in Basketball last night and were presented with a trophy. They were amazing players and represented Somerset Crescent School superbly. U Rock!

Player of the Day was - Eli.

The Year 5-6 team came 2nd in their grade, they played amazingly well and showed true sportsmanship. Well done.

Player of the day was - Periti.

Please remember to start paying your sports fees for next term.

Staff Car Park

Please note that the car park is for Staff vehicles only to park in - please drop off and pick up children at the foot path outside the gate. The safety of your children are our top priority and the staff car park gets very dangerous for children if dropped off there. Also, please DO NOT park on the pedestrian crossing to drop off children, this too is very dangerous.

Thursday Fish & Chip Orders

From the beginning of next term we will be trialling a new lunch system. Fish & Chips will no longer be available to buy on a Thursday.

We are negotiating with Pita Pit and the new system will involve parents placing and paying for their children's orders online and the orders then get delivered to school. More information will be sent home at the start of the term. We are a Health Promoting school and are endorsing healthy eating as part of this initiative.

The whole school has been enjoying learning new hockey skills with Nitin from Hockey Manawatu. Here is the Rata team showing us their skills.

Good, Better, Best. Never let it rest, til' your good is better and your better is best!

Dental Treatment

If parents or students have any inquiries or wish to contact the Dental team, please contact 0800 825 583 and you will be directed to the nearest dental clinic.

Some dentists say that 'the two-hour' rule is the best way to keep your mouth strong. This is because time is a factor in the process of tooth decay: every time we eat something sweet, our teeth get weak: bacteria in plaque uses sugar to make acid - acid dissolves the minerals in teeth. But if you only eat at meals and morning and afternoon tea times, you give your teeth a rest of about two hours in between. In those two hours saliva makes your teeth stronger again, because teeth re-absorb the fluoride that is in saliva.
