Staff Star Award:

Mrs M - for setting up Room 12 during the holidays. It looks fabulous.

Kia Ora,

Welcome back everyone to our 3rd Term. I hope you were able to spend some quality, happy time with your family and friends during the holidays. The children have returned looking fresh and well groomed. Thank you again for supporting our goal of having 100% of our children in their uniforms. Thank you also to Mrs Davis who applied for a grant and was successful - which meant we could help some of our children get into their uniform. They are so proud of the fact that they now have one and are wearing this with pride. Thanks Mrs Davis - UROCK.

I would like to officially welcome and acknowledge our 2 newest staff members who have joined us this term. Whaea Mahi is teaching alongside Mrs M in Room 12, and Whaea Kiri is our support teacher working alongside our children who need acceleration. The powhiri we had for them, and all our new students last Monday was lovely. Thank you staff for your support and guidance prior to and during this time.

We had Monrad Intermediate School Leaders and their new Principal Mr McCullum visit us last week to showcase and inform our Year 5 & 6 students about what Monrad can offer them in terms of their learning and across the curriculum. This was a successful and much appreciated visit.

On Thursday evening a number of staff were fortunate to go and see Pasifika Fusion at The Regent Theatre. This was an amazing event. I would like to acknowledge and thank Julie Etuale for the organizing and promotion of this event that has been running for the past 13 years. I would also like to thank Ruth Alefaio who supported the event too by being one of the judges.

Next week we have our second SLC (Student Led Conferences). It is so important that you attend these to show your child/ren your support with their learning and celebrate their successes. We had an amazing number of whanau attend these in Term 1 and we want to again see lots and lots of families again this term. You will all be so impressed with how many goals our children have been achieving so far this year.

We will be having Whanau Hui again this term. Each team will be running theirs on different days. Please keep an eye out for these because you will learn how to help your child/ren with their learning while they are at home beside you.
